Additional Terms and Conditions

A. Service Order Initial Term. The Service Order Initial Term shall commence on the Effective Date and continue until the date that is twenty-four (24) months following the MMC Commencement Date (as defined below), and shall automatically renew for subsequent twelve (12) months renewal terms (each, a "Service Order Renewal Term") unless cancelled by either Party giving at least thirty (30) days' written notice to the other Party prior to the expiration of the later of (i) the Service Order Initial Term and (ii) the then-current Service Order Renewal Term, as applicable.

B. Termination Charges. If Customer terminates any Service for any reason other than an uncured material breach of the Agreement by Telnyx, or if Telnyx terminates a Service due to a Customer breach, then Customer shall pay as early termination charges an amount equal to: (x) 100% of the MRCs (including, without limitation, any applicable Minimum Monthly Commitment) for the terminated Service(s) multiplied by (y) the months (prorated as necessary) remaining in the Service Order Initial Term or Service Order Renewal Term, as applicable.

C. Current Rates. Telnyx's current list rates for the Services (from time to time, the "Current Rates") have been separately provided to Customer and are subject to change by Telnyx.

D. Discounted Rates. The following rates (from time to time, the "Discounted Rates") only apply: (1) in the event that a Minimum Monthly Commitment has been agreed to by Customer and Telnyx; and (2) following the MMC Commencement Date (as defined below). Discounted Rates shall not be increased during the Service Order Initial Term nor be in excess of the Current Rates; provided, Telnyx may increase Discounted Rates during the Service Order Initial Term solely to the extent of Telnyx's actual underlying cost increases for the Applicable Services. Following the Service Order Initial Term, Discounted Rates are subject to change by Telnyx.

E. Minimum Commitment. Customer understands that the Discounted Rates are in consideration of the Service Order Initial Term continuing for at least the time period set forth above and are based upon an expected level of monthly usage charges (excluding, for purposes of this calculation, any Pass-Through Charge and Taxes associated with any Applicable Service) for the Applicable Services of at least $1,000.00 (the “Minimum Monthly Commitment”) the Minimum Monthly Commitment and that, absent the Minimum Monthly Commitment and Service Order Initial Term, Telnyx would be unable to offer the Applicable Services at the Discounted Rates. The Minimum Monthly Commitment constitutes an MRC for purposes of the Agreement. Customer agrees to pay, for any given month during which Customer is eligible to receive Applicable Services starting March 1, 2026 (the "MMC Commencement Date"), an amount equal to the greater of (a) the actual usage charges for Applicable Services for such period or (b) the Minimum Monthly Commitment. The Minimum Monthly Commitment shall be invoiced in advance of each applicable month together with any other MRCs. Any usage charges in excess of the Minimum Monthly Commitment shall be invoiced in accordance with the terms of the Agreement.

F. Miscellaneous. This Service Order is hereby incorporated into and made a part of the Agreement, and the Agreement remains in full force and effect except to the extent supplemented hereby.
